

Greetings!

The Indiana Chapter of APSE: The Network on Employment invites you to participate in our 20th annual conference. This conference brings together 300+ key stakeholders from business, government, education, and disability organizations to promote employment for people with disabilities.

Why should you consider sponsorship and/or exhibiting?

Sponsoring and/or exhibiting during the conference are great ways to market your services, obtain new customers, and sell your products.

Date: December 1-2, 2010 *Exhibits space available December 2nd only

Location: FORUM Conference Center
11313 U.S.A. Parkway
Fishers, IN 46037

The exhibition space is available December 2nd from 8:30a.m.-4:00p.m.

What is the purpose of the conference?

- Share and obtain new information on tools and techniques utilized to enhance the employment outcomes and the lives of people with disabilities.
- Sharpen the attendees' skills and reignite their commitment to advancing disability employment in their own communities.
- Gain new knowledge based on research and practical experience.

Who will be attending?

Indiana's conference is one of the *largest* statewide conferences dedicate to the employment of persons with disabilities in the nations. Participants include CEOs, employment providers, advocates, consumers and family members, program managers, direct service personnel, employment specialists, educators, WorkOne staff, mental health agencies, Vocational Rehabilitation counselors, and other state agency personnel. And again this year we are also including sessions that highlight our partnership with the Indiana Business Leadership Network (IBLN).

On the following page the sponsorship and exhibitor information is outlined. Please note the various sponsorship levels are designed to recognize every individual and organization as a contributor.

If you have any questions please contact Carla Orr at (317) 275.8800 ext 2404 or email corr@adultandchild.org or visit our website at www.inapse.org.

In order to be recognized in all conference materials, we need to receive your sponsorship *by September 30th 2010.*
